OFFICIAL NEWS FROM THE CITY OF LAUREL, MARYLAND

## HUMAN SERVICES: COMMITMENT TO COMMUNITY!

In the heart of Laurel, a crucial resource stands as a testament to the community's commitment to its most vulnerable residents. The City of Laurel Multiservice Center (LMSC), a hub of essential services and support, provides a wide array of free programs and services designed to help individuals experiencing homelessness regain stability and hope. This vital facility, a partnership between the City and various non-profit organizations, is dedicated to offering immediate relief and a pathway to long-term self-sufficiency.

At the core of the Center's mission is its Day Center, which serves as a sanctuary where individuals can access basic human necessities in a safe and welcoming environment. The Day Center provides critical resources that many take for granted, including clean clothing, hygiene supplies, and access to showers and laundry facilities. This focus on basic human dignity is the first step toward building a foundation for recovery.

One of the most immediate and impactful services offered is the provision of daily hot meals. From Monday through Friday, LMSC Partner, Fish of Laurel, serves dinner at the Center, ensuring that no one in need goes hungry. This simple yet profound service provides not only nourishment but also a sense of community and routine.

Beyond these immediate needs, the Laurel Multiservice Center is a gateway to free basic medical and mental health services, recognizing that a person's well-being is holistic and requires attention to both physical and psychological needs. By providing on-site or easily accessible health care, the Center removes significant barriers that often prevent individuals from seeking the help they need. The Center also acts as a crucial referral point, connecting clients with other essential community resources to address their unique challenges.

The Center's strength lies in its collaborative spirit. Through robust partnerships with various community organizations, dedicated volunteers, and talented and compassionate staff, it extends

its reach far beyond its own walls, offering a more extensive network of support. These collaborations enable the Center to provide a diverse range of specialized services, including:

- **Financial Literacy Programs:** Equipping individuals with the knowledge and skills to manage their finances, a critical step toward economic independence.
- **Transitional Housing:** Providing safe, temporary living arrangements that bridge the gap between homelessness and stable, permanent housing.
- **Winter Shelter:** Offering a warm, secure place to stay during the harsh winter months, protecting adult men and women from the elements.
- **Workforce Assistance:** Aiding with job readiness, resume building, and employment searches to help participants secure stable income.
- **Literacy and Life Skills Training:** Empowering individuals through education, helping them develop essential skills for navigating daily life and improving their future prospects, such as including English (ESL) classes, and group and individual financial counseling.

The City of Laurel Multiservice Center is more than just a place to find a meal or a shower; it is a center for transformation. By addressing the root causes of homelessness and providing a comprehensive suite of resources, it works to empower individuals to break the cycle of instability.

Please join us on **September 10th**, from **Noon - 3:00pm** at **LMSC, 204 Fort Meade Road**, and help us celebrate our **One Year Anniversary** - the equivalent of thousands of meals, hundreds of clothes donations and lots of loads of laundry. We'll kick off Year Two with food, music and lots of fun...and remember, the Center's continued operation is a vital part of the social safety net in the Laurel area, offering hope, dignity, and a path forward for those who need it most for years to come.
