

# HISTORICAL COLOR COLLECTION

## INTERIOR/EXTERIOR

This collection is comprised of 174 rich, subtle shades that were drawn from historic homes and buildings throughout the United States.

Whether you're planning to transform the exterior of a 120-year old Victorian, or warm up the interior of a brand-new condominium, the Historical Color Collection is timeless in its appeal.

This selection of historical colors has been arranged in coordinated groups that are available in a complete selection of top quality products and finishes. Any group of colors may be used to inspire you to create an elegant, traditional color scheme.

Since all color chips are affected by age, light, heat and mechanical coating processes, the chips on this card may vary slightly in color or finish from the actual paint in the container. Depending on clarity and depth of color, some colors may require multiple coats.
