September 27, 2021

**MEMORANDUM**

TO: Mayor Craig A. Moe  
City Council President Valerie M.A. Nicholas  
City Councilmembers

FROM: Brian K. Lee, Director of Public Works *BKL*

SUBJ: Citywide Concrete Repair

**Project Scope:**

This project is for the construction and repair of concrete sidewalks, ADA compliant pedestrian ramps, and concrete curbing at various locations throughout the City of Laurel.

**Funding:**

Funding for this project is provided in the FY2022 CIP reauthorization of Ordinance No. 1971 in the amounts of \$75,988.82 allocated for project Curb & Gutter Improvements; and \$89,588.11 allocated for project Sidewalk Improvements.

**Recommendation:**

It is recommended that the Mayor and City Council award the project in the amount of \$95,000.00 to NZI Construction Corporation, a certified Minority Business Enterprise (MBE) and a Prince George's County-Based Small Business (CBSB) located in Beltsville, Maryland. NZI was selected by Prince George's County after a competitive bidding process, for Prince Georges County's Contract No. 932A-H (F)/D for Asphalt Resurfacing and Related Roadway Improvements. As done previously, the Department of Public Works will be able to ride the County contract for unit pricing. NZI has satisfactorily completed several projects for the City within the years 2012 to 2021. They have consistently been on time and on budget.

Should you have any questions or desire further information, please contact me at (301) 725-0088, extension 3208 or Christy Fang at extension 3214.
