### MEMORANDUM

TO: Mayor Craig A. Moe  
Council President Brencis D. Smith  
Laurel City Councilmembers

THRU: Christian Pulley, CPM, Deputy City Administrator *Christian L. Pulley*

FROM: Brian K. Lee, Director, Public Works *BKL*

SUBJ: Fleet Acquisition – Infrastructure Restoration & Emergency Response Equipment

The Department of Public Works is requesting approval for the purchase of roadway infrastructure restoration, and emergency response equipment to replace various items at the end of their useful life cycle. These items are critical to daily projects and core to public works operations.

#### Specifications:

Prior to the acceptance of this bid package the Department solicited quotes from four vendors. The quotes from Safeware and Patriot Contractors did not include quotes for all the requested equipment. The quote from Diamond Core Drilling was \$110,740.00. The accepted quote of \$107,995.00 from Washington Air Compressor Rental Co. of Hyattsville Maryland, is for a complete quote list, and is a vendor on the Sourcewell contract, member #041719-CEC.

#### Vehicle Assignments/Replacements:

The following equipment is scheduled to be replaced and upgraded:

- Ingersoll Rand Roller #40 will be retired and replaced with a Dyna Pac Roller CC1200
- Ingersoll Rand Air Compressor #86 will be retired and replaced with an Doosan Air Compressor Model P185
- Arrow Boards #67 and #85 will be retired and replaced with two (2) Solar Tech Arrow Boards
- Message Board #403 will be retired and replaced with a WANCO Full Matrix Solar Message Board
- Doosan Light Towers #45 and #46 will be retired and replaced with two new Doosan light towers.

#### Funding:

Funding is provided in the FY22 CIP reauthorization, which includes fleet equipment acquisitions. The total net cost after deductions for various equipment residual trade in value is \$107,955.00.

**Recommendation:**

It is recommended that the purchase of this equipment be approved in the amount of \$107,955.00 to Washington Air Compressor Rental Co.

Should you have any questions or desire further information, please contact Brian K. Lee at (301) 725-0088, extension 3208.
