1 / 109.05 GENERAL

An employee shall avoid association or dealings with persons whom he / she knows, or should know, are racketeers, gamblers, felons, persons under criminal investigation or indictment, or others having a reputation in the community for felonious or criminal behavior, except as directed otherwise by a supervisor.

(The purpose of this general order is to maintain the integrity of the employees and to avoid relationships that would tend to impair the operation of this department. In each case, the supervisor will be mindful of the need for such persons to be re-habilitated, of the fact that such persons already may have been rehabilitated at the time the association occurs, and of the necessity for some associations because of the relationship of the employee to such persons.)

An employee shall not visit or enter a house of prostitution, gambling house, or any other establishment wherein the laws of the United States, the laws of the State of Maryland, or any other law or ordinance of a political subdivision are violated, except in the performance of duty and while acting under proper and specific orders from a supervisor.

1 / 109.15 ORGANIZATIONS

No employee of the department shall in any manner affiliate himself / herself with any organization, association, movement, group, or combination of persons or any subversive organization which advocates the overthrow of our constitutional form of government or which has adopted the policy of advocating or approving the commission of acts of force or violence to deny any person his / her rights under the Constitution of the United States, or which seek to alter the form of government of the United States by unconstitutional means.
