4 / 703	Notification of Medical Examiner	1/12/95 Rev 6/22/98
Accreditation Standards	41.2.4	

The Medical Examiner will be notified whenever an officer responds to a death scene. Notification may be made by the PCS on duty, but it is preferred that the investigating officer make notification to allow the Medical Examiner to inquire of the investigating officer about the victim, scene, etc. A body shall not be removed from a scene without authorization of the Medical Examiner.
