TEACHING FIDO BASIC MANNERS AGES 18+
Teaching your dog the basics should be a fun and positive experience for both you and your dog. This 7-week class is designed to teach the basic cues (sit, down, stay and come) and then apply those cues to “life skills” such as: meet and greet while leashed, wait at the door, settle on a mat, loose-leash walking, give it/take it, and leave it. Classes have no more than 5 dogs so you feel as if you are receiving “one-on-one” training.
Prerequisites: This class is for dogs 5 months in age and older

PARKOUR FOR DOGS AGES 18+
Dog parkour is also known as urban agility- It is a fun, non-competitive team sport with you and your dog and is based on the same principles as agility. It combines elements of human parkour and dog agility to create an accessible activity for dogs and humans alike. Dogs get introduced to the world of jumping, climbing, balancing on, crawling under, and going around different obstacles in their everyday world such as boulders, fallen trees, playground equipment, tree stumps, fences, posts, park benches, walls, and whatever your imagination can come up with! It is a challenging, but fun, physical activity for your dog; parkour can be done anywhere. Dog Parkour helps with confidence and overcoming fears, and is a low impact but challenging activity for any canine athlete. Please visit our website for more information on this class
Prerequisites: This class is for dogs 9 months and older. Dogs should be able to sit, down, stay and come.
Main Street Pool Meeting Room

IT’S FUN TO SNIFF! AGES 18+
This fun class uses your dog’s natural ability to sniff and hunt for a hidden target scent. Your dog is challenged each week by finding new scents hidden under different objects. You will learn to teach your dog how to sniff out treats, your keys and up to two scents, and alert you to its exact location. Sniffing classes help build confidence in shy dogs and strengthens the relationship between you and your dog.
Prerequisites: This class is for dogs 6 months and older. No previous training is required.

LAUREL HELPING HANDS

Youth Services Bureau

Strengthening Families, Helping Youth Thrive.

Your Laurel Helping Hands counselors are here to help you deal with any emotional challenges that you or your family members may be facing. We provide services in-person and via telehealth, in English and Spanish.

So, whether your child is getting in trouble in school or at home, or is simply struggling to cope with life, Laurel Helping Hands can help you get a handle on the situation. We equip parents with the necessary skills to meet the developmental and mental health needs of their children, so that youth can maximize their potential at home, in school and in the community.

And if you need help to navigate the challenges of adult life or to successfully live with mental illness, our counselors work with adults to address various issues. Our goal is to help you and your family to live your best life possible.

We Provide

INDIVIDUAL & FAMILY COUNSELING

Our counselors work with children, teens, adults, and families on a wide variety of issues e.g., parenting, family conflict, divorce/separation, relationship difficulties, anger management, anxiety, depression, grief and loss, personal growth etc.

GROUP COUNSELING – Our counseling and psycho-educational groups teach skills like impulse-control, anger management and communication.

CRISIS INTERVENTION – Sudden changes e.g., sudden death, can cause us to feel lost, even suicidal, and make it difficult for us to function in our lives. Our counselors can work with you to develop a short-term plan, and connect you with resources so you can get your life back on track.

SUBSTANCE USE ASSESSMENT – This program is a partnership with PGCPS to provide an alternative to expulsion for students who are in violation of school drug policy. Students are assessed for their level of substance use, the impact it is having on their life, and an exploration of their reasons for use. We provide recommendations and referrals for further treatment if necessary.

INFORMATION AND REFERRAL SERVICES – And when you need more than we can provide, we help you identify the best type of service for your needs and connect you to available resources. For more information about our program or to request service email LHH@laurel.md.us Call 240-294-1304 or stop by the Laurel Armory at 422 Montgomery Street. We have Spanish-speaking counselors. Services are available in-person and via Telehealth.

FEES

• Substance Use Assessments are $15 per session. A 2-session minimum is required by PGCPS.

• Individual & Family Counseling - We accept CareFirst insurance and Medicaid. For those who do not have insurance, we offer a sliding scale to Prince George’s County residents, that is based on household income and size.
