Work Description:

Note to Applicant: Any attempt to defraud or otherwise deliberately or knowingly design, install, service, maintain, operate, sell, represent for sale, falsify records, or applications, or other related activity in violation of the requirement prescribed by applicable federal, state, local laws and ordinances. Such violation shall be cause for immediate suspension or revocation of any related licenses, certificates or permits issued by this jurisdiction. In addition, any such violation shall be subject to any other criminal or civil penalties as available by the laws of this jurisdiction.

I do solemnly declare and affirm, under the penalties of perjury, that I, the owner, or agent of the owner authorized to perform the proposed work, hereby certify that the application and contents are true and correct, that construction will conform to all current Building, Zoning and Handicap Accessibility Code requirements and that I am authorized to make this application. I understand that issuance of this permit does not exempt the proposed work from the conditions of permits required by other agencies and that **this permit will expire six (6) months from the date of issue, if no work has begun.** If work has begun, noticeable progress must continue. All work must be completed within 18-months from the date of issue.
