IT IS THE CONTRACTORS RESPONSIBILITY TO INSURE THAT ALL GSR, STONE, SOD OR CONSTRUCTION DESIS IS REMOVED FROM ALL CONSTRUCTION VEHICLES THAT LEAVE THE PROPOSED WORK AREA.

The contractor must keep a certified copy of this Plan on site during the entire construction period and for five years after the project is completed. The contractor must keep the certifying body informed of any changes in the project that will affect the plan. The contractor must also keep a copy of the approved plan on file at the office of the certifying body.
