NOTICE

Citywide Concrete Repairs in Laurel

December 9, 2021

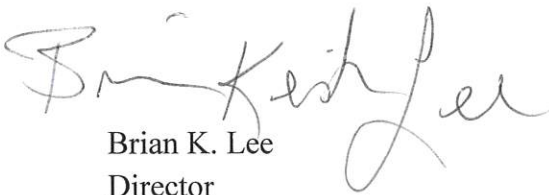

Dear Residents and Citizens:

The City of Laurel's Department of Public Works has begun its annual campaign - Citywide Concrete Repairs project on selected streets and locations throughout the city. This work will include concrete sidewalk repairs, curb and gutter replacements, and pedestrian ramp upgrades.

During this period access to the affected streets may be limited. In addition, on-street parking will be restricted while repairs and upgrades are underway. Temporary no parking signs will be posted on the impacted streets at least 48-hours prior to any work being started. The signs will outline the specific times and dates the restrictions are in effect. Cars parked in the temporary no parking areas during these times and dates will be towed at the owner's expense and risk. We appreciate your understanding and cooperation during the construction period.

This work is expected to begin around December 15, 2021, weather permitting. No work is scheduled to be performed during the holiday period which begins December 24, 2021, thru January 2, 2022. Work will resume Monday January 3rd, 2022. If you have any questions, please contact Mrs. Christy Fang, Assistant Director, at 301-725-0088, extension 3214.

Sincerely,

Brian K. Lee
Director
